

AUGER EXTENSIONS - X075HD-XT75HD TO SUIT MACHINES UP TO 20 TONNE

DIGGA

Digga's drilling extension range is the ultimate in quality and cost effectiveness. Completely manufactured by Digga using only the highest grade materials and strictest quality control. Our range of extensions are suited for machines between 8 and 20 tonnes.

Features

- Easy connect design. No adaptors required.
- Welded hub and shaft reduces excess play in the connections ensuring a straighter hole.
- Telescopic design makes it easier to drill deeper while making it easier to store and transport extensions.
- Australian made quality.

MODEL NUMBER	X075HD	XT75HD
TYPE	OUTER	INNER
