MINI CARRYALL LEVELLER

CARRYALL LEVELLER FOR MINI LOADERS

The Digga Mini Carryall Leveller is the perfect addition to your mini loader.

This versatile attachment can carry those bulky items around site, saving on manual labour, making it a safer work site.

In addition, the Carryall Leveller can be used for site preparation with its ground leveling ability, soil spreading capability and site clean up.

Features:

- 1225mm wide.
- Easy pickup design.
- Suitable for spreadable/levelling soils.

Ideal Use:

Transporting bulky items such as paving tiles, cement bags etc in addition to be able to be used as a leveller on soils and bedding sands for pavers.

Machine Suitability:

Mini Multifit and Vermeer Mini Loaders.
